Spring Garden Fling 2010

Spring is a magical time of year when the birds' songs wake us and we anticipate the return of our gardens. And with the light, the bulbs we planted the previous fall will soon emerge.

NPA will again hold a Spring Garden Fling in April, 2010. We are looking for gardens created by our members that welcome the season with colorful bulbs and early spring perennials. Many of you have such a garden and we know that our members delight in capturing these first 'rays of spring'. Now is the time to offer your gardenstep up and register!

Spring Gardens in April will be arranged by area over three weekends and will be open the customary hours of 10:00 a.m. to 4:00 p.m.

Seattle area / Eastside: open the weekend of April 3 and 4 (note: Easter weekend)

South Sound: open the weekend of April 10 and 11

Snohomish County / Whidbey Island: open the weekend of April 24 and 25

We do not list garden descriptions in the Spring Garden Fling flyer that is sent out in March, as most gardens are in past Open Gardens directories. NPA will mail the garden names, locations, and driving directions in March, 2010.

Please print clearly and complete the form below. **Mail or email by January 15, 2010** to:

NPA, Mickey Sweeney, 2929 Queen Anne Ave N, Seattle WA 98109

Questions? Call Mickey at 206-283-5608. Email: msweeneym@comcast.net. We will confirm all emails. If you do not receive a confirmation, please mail your form.

Name: _____

Email Address: _____ **Telephone:** _____

Address: _____ **City:** _____ **ZIP:** _____

Please specify date(s) open: _____

The open weekend will be determined by your garden's location (see above)

Driving directions from downtown Seattle (continue on back if necessary)
